sexual violence is one of the oldest and most difficult problems of humankind many of the love stories in classical greek and roman myth are tales of rape a fact that is often casually glossed over in both popular and scholarly treatments of these narratives through a careful selection of stories this book provides a deep exploration of rape in classical myth as well as in the works of art and literature that have responded to it through the millennia the volume offers an essential reading for anyone who wishes to understand sexual violence from different perspectives and through an interdisciplinary approach which includes trauma theory and evolutionary psychology

the stories of hagar dinah and tamar stand out as strangers in the ancestral narrative they deviate from the main plot and draw attention to the interests and fates of characters who are not a part of the ancestral family readers have traditionally domesticated these strange stories they have made them familiar all about the ancestral family thus hagar's story becomes a drama of deselection shechem and the hivites become emblematic for ancestral conflict with the people of the land and tamar becomes a lens by which to read providence in the story of joseph this study resurrects the question of these stories strangeness rather than allow the ancestral narrative to determine their significance it attends to each interlude's particularity and detects ironic gestures made toward the ancestral narrative these stories contain within them the potential to defamiliarize key themes of ancestral identity the ancestral divine relationship ancestral relations to the land and its inhabitants and ancestral self identity perhaps the ancestral family are not the only privileged partners of god the only heirs to the land or the only bloodline fit to bear the next generation

at a time when there was a drought of gay characters on television it was will grace that set the bar for gay visibility on tv the q guide takes an inside look at the ground breaking television show that was part of channel 4's prime time comedy slot for eight series

the poetry in this volume commemorates the lives of scandinavian rulers from c 1035 to 1280 and events

that took place during their reigns it mainly focuses on the kings of Norway and on noblemen and chieftains associated with these kings although some of the kings of Denmark as well as three of the jarls of Orkney receive attention
